

SMALL PARTS STORAGE

STEEL STORAGE BINS

- Pigeonhole type steel storage bin units organise small parts
- Best suited where space is limited and organization is crucial
- Produced of prime cold rolled steel
- Fully welded, will not warp, twist or sag
- Fully hemmed label holders provide adequate space for content identification
- Each divider is hemmed in a tear drop design to avoid sharp edges
- Doors with padlock attachment and bases to raise units are available with most models
- All units are 33 3/4" wide and are available in depths of 12" or 8 1/2"
- 12" deep units feature a 45° slope front for easy removal of parts
- Finished in grey powder coat
